

Bell 206 Jet Ranger B3

1991 Agusta Bell 206 B3 for sale exclusively with Helix Av, TOPM is late genuine B3 Jet Ranger, with the increased capacity fuel tank, the quieter slightly more powerful C20J engine, boot extender, the later interior trim with door openers and all the modifications that were fitted to the latest 206. All 4 front windows will be new and the paint work will be touched up.

TOPM has excellent component times with most components having been overhauled or inspected, this is complete with a fresh annual and ARC.

This Jet Ranger would be perfect for a private owner with little cost due for the foreseeable future, Helix Av can offer ongoing maintenance services, or we can issue an Export C of A and organise shipping.

Some of the component times include:

MR Blades 2991 hours remaining

MR Head 1 hour since overhaul

New TT Straps

Swashplate Assy 1 hour since overhaul

Main Transmission part life inspection recently carried out

Freewheel part life inspection recently carried out

New Hydraulic Servos

New Hydraulic Pump

1305 hours on wheels 1 & 2

2386 remaining on wheels 3 & 4
